Year 6 Leadership Applications - A large number of students have handed in leadership applications to apply for our 2015 Student Leadership Team. I applaud all students who have shown initiative to apply. Shortlisting, interviews and announcements will happen over the next few weeks. Good Luck!

Parking - Our school has ample parking. The school has a ‘Drop Off Zone’ in front of the Prep Building. This area is for drop off only and cars should not be parked unattended in this space. The Drop Off Zone allows enough time for a child or parent to unbuckle seat belts and grab bags out of the boot and for the child to enter the school grounds. Cars should never be unattended by the driver. Older students will be able to do this without parent help. Prep parents please note that this is not a space where you can park and walk your child into school. Please do not park in this area.

The parking area on Lalor Road on the Northern boundary of the school is for parents who wish to park and walk their children into school. This is not a ‘Drop Off Zone’.

We also have the car park across the road with direct access to our wonderful Crossing Supervisors for parents to park and walk students into school.

Bus Bay: This are should never have cars accessing for parking or drop off.

The C&K Kindergarten kindly let parents park in the extra spaces here after 2:50.

School Road on both sides can be used in some areas unless signed otherwise. Please do not park in front of the school gates

The Administration Car Park is not be used by parents.

Nambour Police are targeting schools to ensure our children are safe. Yandina State School is a school that the police will and have visited. Parents please be aware that you may be fined for disobeying the road rules in these areas. [see article on page 2 of the Newsletter]

Parents Please Note: It is very distracting for children (especially) and teachers to have parents hovering at doors and windows when last minute messages are being given out at the end of the day. Please assist by keeping an appropriate distance and out of sight until the bell has gone.

Extreme Weather Events - In times of extreme weather the school will do it’s best to keep families updated by the school website, text and Facebook page. Please access these information services first before calling the school.

School Absence Hot Line – The school has a set phone number for a recorded voice service which we request you use to leave details about your child’s absence. Please use this number 5472 9366 to advise the school of absences. This will dramatically help Karyn in the office with the large amount of phone calls in the morning.

Students Arriving Too Early Before School - There is an increasing amount of students who are being dropped of at school very early in the morning. These students are not bus students. This makes a large amount of students under A Block who are not directly supervised. Parents please assist the school by dropping your children off after 8:25 am which is 30 minutes before school starts.

Have a good week,
Rob
OPERATION JUMP STREET

Nambour Road Policing unit is currently ready to commence their Operation Jump Street for 2015. The operation will consist of plain clothed and uniformed police officers from Nambour Road Police performing covert and marked patrols surrounding our school—they will further be using covert video surveillance to aid in evidence gathering for court purposes.

During this operation, police will be targeting: illegal parking in “No Stopping Zones/Drop off Zones”; double parking; parking on foot-paths; parking in bus stops; drivers using hand held mobile phones; seatbelt offences; crossing double/single dividing lines; and any other breaches of the road rules.

If you have any questions in relation to this operation, please contact Nambour Road Policing Unit — 5459 0230

Hehehe ... check out the “old school” Mr Jennings (hanging with Archie Roach) with long hair when he was a teacher at Weipa State School.
Did you teach in bare feet Mr Jennings?
Congratulations to all students who participated in our school swimming carnival at Nambour Indoor Aquatic Centre. The feedback from the employees at the pool, parents and teachers has been really positive. There were outstanding performances and these children will have the opportunity to swim at the Nambour District Carnival on Thursday 26 February 2015

What is the show?
Our first show for 2015 is a ‘visually stimulating show bringing the messages of Friendship, Resilience and that Bullying is not acceptable all conveyed with fun and humour’.

Cyber Wiser is the story of three friends who have a falling out over the most trivial thing. Fuelled by word of mouth, texting, Facebook and other social media, this petty event is soon out of control.
For older students Cyber Wiser reinforces strategies like ‘never send a text when you’re angry’ and ‘know your Facebook settings’ while younger students are encouraged to ‘always help’ and ‘play nicely’.

Who can enjoy and learn from the show?
The show is suitable for all students from Prep to Year 6

When is it?
Friday 6 March 2015
What does it Cost?
$4.50 per student

Please complete the following and return slip and money to school by Wednesday 4 March

I give my permission for my child/ children
__________________________________________ from _____________ class/ classes

to attend the performance CyberWiser.

Hi Everyone,

**SANDPIT RESOURCES WANTED:** The kids have been having fun in the sand pits this week with buckets and spades and plastic PVC pipes and we need some more of these items to share around. If anyone has any useful sandpit items sitting around at home that they would like to donate it would be greatly received. We are especially looking for elbows to join the pipes and extra buckets and spades.

**125 BOOKS:** P and C Still have some of the 125th Birthday celebration memorabilia books available for $25 each. You can purchase these from the front office or email the P and C committee.

**MEETINGS, FUNDRAISING AND DONATIONS TO THE SCHOOL:** Our next meeting will be held on the **13 March @ 3pm** in the resource centre and we need your help!!! It was lovely to welcome some new parents at our last meeting where we discussed the possibility of introducing a new dress to our uniform. It would be great if more of you could join us and share your valuable input. Agenda items for the next meeting include our 2015 budget and fundraising calendar. If you cannot attend, you can email us any ideas you have for fundraising that you think would be successful and useful. Last year’s major donation to the school was the refurbishment of the Year 6 classroom – the new furniture should turn up any day now. What should our fundraising contribute to this year? Come along; have a cuppa, a laugh and most importantly have a say.

**TUCKSHOP:** Grace and Kathy do a wonderful job supplying healthy and tasty foods for our children at lunch times and your help will be greatly appreciated. If you have time to help us in the Tuck shop from Tuesday to Friday, even if for an hour or a few, please see Grace and Kathy in the tuck shop and place your name on the roster.

**SECOND HAND UNIFORMS WANTED:** Is your child’s uniform getting too small? Can you see their belly button when they get dressed in the morning or do you have any spare uniforms sitting around? If so, we ask you could kindly donate them to our second hand uniform shop. Please drop donations to Karyn in the office or they can be dropped to the P and C room under the office on Friday mornings before school.

Look forward to seeing you at our next meeting!!

Regards

Misty.

Hearing Tests

Hearing tests are available for free from Community Health Centres to children over 4 years of age.

Parents are able to make an appointment for a hearing test by phoning the Noosa Community Health Centre – Noosa makes appointments for all the different Community Health Centres on the Sunshine Coast.

The addresses for the Centres are as follows:

Noosa Community Health: ph 54495944 (all hearing tests booked via here)
14 Bottlebrush Ave
Noosa Heads (behind cinemas)

Maroochydore Community Health
100 Sixth Ave
Maroochydore

Nambour Community Health
Centenary Square
Currie St
Nambour.

If a problem is evident with the hearing test results, the nurse will refer the child to their Doctor or to Australian Hearing Services for further testing (this is also a free service but requires a problem to have already been identified).
