from the Principal's Desk... *Peter Lloyd*

Today is a sad day for Yandina State School as we farewell a very important member of staff. Our Acting Head of Curriculum for the last 3 years, Jason Jenkinson, has been successful in winning a permanent role as Head of Curriculum at Tewantin State School from the start of Term 3, It is a bittersweet moment - we all congratulate him sincerely on his promotion - a well-earned reward for years of hard work. But I know I speak for you all in saying we are sad to see him go. Mr Jenkinson has contributed an enormous amount to the school, and has made a significant difference to the education of children at Yandina in his time here as a teacher and as Head of Curriculum. **Personally, I'd like to publicly acknowledge the support and advice he has provided to me over the last 6 months. I'm sure you will all join me in wishing him well in his role at Tewantin.**

This term seems to have been jam packed with loads of learning happening across the all year levels - just as it should be. Interspersed of course with lots of opportunities to be involved in sports, the Arts, excursions, dress-up days, ANZAC Day, **skateboarding, the CREATE group, robotics and more ...** Yandina is a busy school and it is all these extra activities that contribute to why Yandina is such a great school - great teachers, great students and great opportunities!

**This semester's student report cards were emailed to all families yesterday. The 'achievement rating' indicates how your child has performed against the Australian Curriculum's Achievement Standards for the particular year level. A 'C' or higher shows that they are on track with their learning.**

Continued from the Principal's Desk....*Peter Lloyd*

We had an exciting meeting yesterday regarding the new prep playground. The work for this will commence towards the second half of next term, and our Prep teachers are thrilled with the design. Our preps should be having a lot of fun in a wonderful new play area in Term 4.

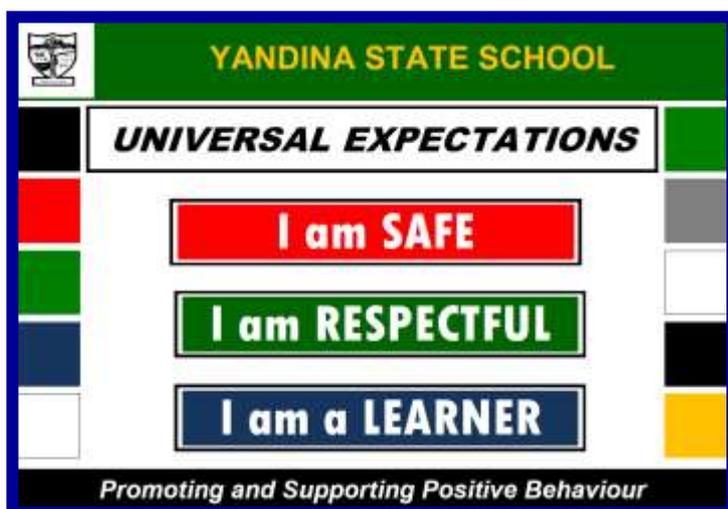

Staffing: There are a couple of changes for next term. We are happy to welcome Minna Berry into the role of Head of Curriculum. Minna has come from Tewantin State School. I look forward to working closely with her to support all the teachers in providing the best possible educational opportunities for your children.

We also wish Mrs Julie Bambrick all the best for next term. During Term 3 she will undergo some significant surgery to correct a chronic health issue. I know her class has been informed and wish her well, but from the whole school community - we hope all goes well and we look forward to welcoming her back in 4<sup>th</sup> Term. Rebecca Lenan will replace Mrs Bambrick for the next term.

It is holidays from today! Thank you all for making my time at Yandina so rewarding and enjoyable for the last 6 months - **I'm looking forward to working with you all** for the second half of the year after a relaxing holiday with my family. Enjoy your time with your children at home for the next two weeks. They grow up so quickly so make the most of the opportunity to spend some family time together. Have a safe and enjoyable break.

*Regards*

*Peter*

# 2018 Showcase Evening

On Wednesday 15th of August Yandina State School will be holding their second Showcase Evening from 5pm to 7pm.

The central focus of the evening will be a 'Market Day' to celebrate the Kidpreneur journey that the Year 5 and 6 students have undertaken throughout Term 2 and Term 3. The students have formed 'businesses' and have undertaken the journey that a new business owner would follow. There will be a variety of items to purchase including:

Shopping bags  
Dog treats  
Bamboo flower pots  
Oobleck and Slime  
Stress balls

Other businesses will be offering food/refreshments for sale including:

Brownies  
Cupcakes  
Toffee  
Popcorn - drinks  
Tea/coffee and biscuits

A couple of other businesses will also be offering entertainment options including:

Ring Toss  
Makey Makey Arcade Games

Any profits that the students make will be collected and donated to a local Yandina charity.

Prep to Year 4 will also have work on display including:

- ◆ Water Security Information
- ◆ Lunch Box Designs
- ◆ Lunch Rubbish Data
- ◆ Ozobot and Sphero tasks

The P and C will be running a BBQ with all proceeds going back to the students to continue their STEM journey.

Thanks to Jimmyz Hirst from Polkadot Houses we will also have a 'tiny house' on display at the school that evening as well.

"We at polkadot™ design and build what we feel are the very best in Smart, economical, attractive & locally made Tiny Houses On Wheels mechanically and socially engineered for mobility and compatibility to plug into Eco Villages.

The Tiny House Movement represents a great new era in freedom, liberation, sovereignty, and Off-The-Grid lifestyle, while being friendlier to the planet so that it may be enjoyed 4 generations to come."
