Prep Enrolments and Class Numbers for 2015
The next few weeks are a very important time for our school as we set the direction and priorities for 2015. Accurate information now enables a really smooth start and hopefully an uninterrupted start to the following year. Our first big task is to create classes and staffing. It is very important for our school that all enrolments for 2015 are completed and returned right now. We have already got 36 Prep students on the books and I have had the pleasure in meeting a number of these very excited students and parents at our Pre Start days which run every Wednesday morning at the school. Please note that we are doing interviews this year with our wonderful Prep teachers so we can ensure a smooth start to your child’s educational future. If you have not booked an interview please call Karyn in the office on 5472 9333.

Our biggest challenge is to get accurate numbers of students for the 2015 year and knowing which students may be leaving us. It only takes a couple of unexpected students not to return to force our school to reorganise classes in the New Year. If you are considering a move at the end of the year please advise the school or your class teacher. Please let us know even if it is only tentative at this stage.

Celebrate Tuckshop Day
School tuckshops play an important role in providing nutritious food and drinks to our very hungry students. Friday 6 November is Tuckshop Day, a day we say thank you to hard working tuckshop convenors and volunteers. If you are ordering food this Friday don’t forget to drop in a little message of thanks.

Car Parking
Please be reminded that the Drop off/ Pick up area at the front of the school near the Prep room is not for long term parking. It has in the past been patrolled by police. It is well signed with P2min signs.

Have a great week,
Rob
Wow! We’ve had another busy Semester filled with music events. In August we had both the Sunshine Coast Junior Eisteddfod at Nambour and Kid Sing at Coolum. Kids looked and sounded fantastic in their new choir uniforms. Well done choir kids and a big thank you to the P and C for their support.

In September, we celebrated the 125 with “Absolutely Everybody.” Thanks again P and C for purchasing the choir banner so that now when we tour places people will be able to recognise the wonderful Yandina State School choir.

In October, half the school participated in Count Us In Australia, where we sang “Paint you a song” with tens of thousands of kids all around Australia; all singing at the same time!

Now in November, twenty two lucky senior students will travel to QPAC in Brisbane to watch the amazing Lion King. A medical information note has been given out today to all those attending. Parents can you please make sure all students return this form to the office or to me before next Thursday, November 13. All students are to wear their school uniform. We will be leaving the school at 11:00 a.m. and returning by 6:00 p.m.
