

Student Dress Code

Yandina State School's (YSS) Student Dress Code has been developed in accordance with the relevant legislation, both State and Commonwealth. It consists of an agreed standard which includes a specified school uniform for when students are attending and representing the school.

This dress code reflects the expectations of both our school and the wider Yandina State School community which is consistent with work health and safety, and anti-discrimination legislation. School staff actively encourage all students to take pride in themselves and their school. One way in which this is achieved is through adherence to the school's Student Dress Code.

As the parent/carer and provider of your child, we seek your support in this matter.

Yandina State School P & C Association and the School Council support school staff to promote 100% adherence to the wearing of the school uniform in the following instances:

- Attending or representing their school during school hours;
- Travelling to and from school; and
- Engaging in school activities out of school hours.

We believe that a student dress code aims to contribute to a safe and supportive teaching and learning environment through:

- Ready identification of students and non-students at school;
- Fostering a sense of belonging;
- Developing mutual respect among students by minimising visible evidence of economic or social differences; and
- Eliminating the distraction of competition in dress and fashion at school.

- Offensive, i.e. slogans and inappropriate language printed on the clothing, or revealing
- Likely to disrupt, or negatively influence normal school operations
- Unsafe for the student or others, i.e. inappropriate footwear;
