Yandina State School invites you to

Maths Workshops for Parents or Carers

Everything you wanted to know about the Australian Mathematics Curriculum and helping your child with maths, but (maybe) were afraid to ask!

Session Two

Part 2: Computation

- Number facts
- The four operations
- Mental computation for addition and subtraction
- Written methods

Includes how to do left to right addition and subtraction

When

Monday 24th Feb

Times

Please choose either 12:00 noon – 1:00pm or 5:00 – 6:00pm.

These sessions have been designed for adult learners and are different from parent/student joint activity sessions. For this reason, we ask that children do not attend with parents.

Where

Depending on numbers the venue for the both session is the Media Room in the Library. You will be advised of any changes to this session

Reply

To enable us to properly plan for and resource these sessions, please complete the RSVP and return to office.

You may also choose to RSVP by text message to 0414 223 615 or email admin@yandinass.eq.edu.au
